Dear Mr. Garon:

On behalf of the New Hampshire Food Bank, I would like to thank WZID for partnering with Hannaford supermarkets and hosting a very successful "Take the Heat off Hunger" food drive. We collected a combined total of 12,045 pounds and over \$2,300, which will allow us to provide 24,694 meals to neighbors in need throughout the state.

As you know, the New Hampshire Food Bank works to increase the availability and distribution of high-quality, nutritious foods to a network of food pantries, soup kitchens, children's programs, and elderly meal sites that feed the hungry. As the only Food Bank in New Hampshire, we serve over 80,000 people in need through our network of 350 agencies in the state. With your help we hope to distribute over 4 million pounds of food to our neighbors in need this year.

Again, thanks to WZID for your commitment to fighting hunger!

Dear Mike,

Thank you for participating in our 2006 Epping High School Career Day. It was gracious of you to donate your time as a presenter. Numerous students have made positive comments about your presentation. Your presentation helped bring purpose to classroom experiences by offering students a connection between what is learned in school and the world of work.

I truly enjoyed having you as part of our Career Day and hope you had an enjoyable experience as well. The plan is to run Career Day again next year and it is my hope that you will participate again.

Once again, your generous donation of time and resources was greatly appreciated by all. I look forward to working with you next year!

Hi Nancy,

I wanted to write and thank you all for the Christmas is for Kids efforts you all are working on. Although people don't know this about me, my husband and I have been struggling just to pay our mortgage for the last year or so. We have been through several lay offs with my husband, and I over the last several years, and even though we both have jobs now, we are making only about two thirds of the salary we were making 10 years ago.

My boys don't expect anything big for Christmas. As 15 and 17 year olds, we have just told them to be thankful for the roof over their heads, and the company of our family on the holidays. As heartbreaking as it is not to be able to give them the Christmas they really deserve since they keep excellent grades in school, and help us out in any way they can, we just can't afford to get them the things they need.

We receive food from our church every other week, and also receive a basket of food to have for Thanksgiving, Christmas, and Easter dinners. Our Priest gave us a gift card so we could get the boys gifts last year for Christmas, and they were really surprised.

It warms my heart to see so many people giving to your Telethon and Auction. I really would love to contribute, but can not right now. I hope you are able to raise plenty of money for the families who are even worse off than we are that don't even have a place to call home. We pray for all the people who need help every day. Good Luck to all of you in your efforts to help people have a wonderful Christmas, and Merry Christmas to you and all of the staff at WZID. I really enjoy your station, and listen to it all day at work.

Thank you again for all your efforts! Merry Christmas, and God Bless!

Dear Stacy Broadbent

On behalf of the Merrimack Knights of Columbus, Queen of Peace Council 6725 and the Ladies Guild of Our Lady of Mercy Church we would like to say **THANK YOU** for publicizing the American Red Cross "SUPER" Blood Drive held on August 25, 2005 at Our Lady of Mercy Church in Merrimack, NH.

WZID/WFEA and COOL continues to be an important member of our Team, as we reach out to the community at large for blood donors. **We collected 168 pints** of life saving blood and we had **197 donors register**, which included **37 new donors**.

It's impossible to tell how many lives will be saved or touched as a result of those 168 pints but it's safe to say it will be significant. The 37 first-time blood donors will add to our future resources to continue this life saving activity.

Thank you for making a difference in this life saving endeavor. Please take a minute of your busy schedule to express our sincere appreciation to the citizens of Southern New Hampshire who participated in this "SUPER" Blood Drive. Their total contribution to the American Red Cross, from 9 of our recent Blood Drives, is 975 pints. We will be hosting Blood Drives in January, March and August 2006 and will be soliciting your support again. Thanks for being part of our **TEAM!**

Dear Mr. Garon,

It is with much appreciation that I write this letter of thanks to you and WZID for continuing to air the New Hampshire Breast & Cervical Cancer Program public service announcement on your station.

We continue to receive many calls from women saying that learned about our free breast and cervical cancer screening program through your station. Also, our database shows a record number of women learning about the program from WZID.

Again, I want to acknowledge your colleague, Terry Benson, who helped write and produce the PSA. We remain fortunate to have her as a member of our Marketing Advisory Committee and as our direct contact to WZID. Also instrumental in the success of the PSA are Patti Ford and Lisa Damon.

Dear Lucie:

Please accept this plaque, on behalf of the New Hampshire Food Bank, as a token of our appreciation for co-hosting such a successful Tons of Turkey event. As you are aware, the combined total for the four stores that benefited the Food Bank was 18,747 pounds, over 9 tons of turkey and fixing bags as well as \$2,757.34. This contribution certainly helped many New Hampshire families have a happy and bountiful holiday season.

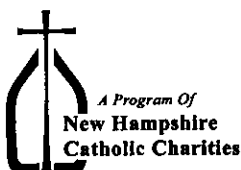

Nearly 100,000 people live at or below poverty in NH; 28,000 of those are children. The New Hampshire Food Bank, a program of NH Catholic Charities, works to increase the availability and distribution of high-quality, nutritious foods to a network of food pantries, soup kitchens, children's programs, and elderly meal sites that feed the hungry. As the only food bank in New Hampshire, we serve those in need through our network of nearly 350 member agencies in the state. Dear JC:

Thank you for your media sponsorship of the 16th Annual Walk Against Hunger. The walk was a great success with over 800 participants. Donations are still coming in and to date we have raised over \$85,000 through this event. You and the entire Mill team were a pleasure to work with and we are certain that your support helped to create great interest in the event. Having The Mill and Nick on site also greatly added to the Walk.

Your generous support goes a long way in ensuring that people who suffer the very real pain of hunger are nourished. The food pantry at New Horizons is currently providing nutritious foods to 846 households which include 731 children. The soup kitchen is serving an average of 193 meals each day.

We are very grateful for your commitment to the work we are doing to nourish and shelter the many people who seek our assistance as we also empower them to become self-sufficient once again. You are making a great difference in the lives of people experiencing significant challenges. Thank you for being a part of helping to bring them a better tomorrow.

Sincerely,

Looking forward to your support next year too!

Hi JC,

To say thank you isn't nearly enough, but THANK YOU! Nick was really great. He did an awesome job pumping up the Walk and was a pleasure to work with.

I think the Mill had a great impact in our Walk Against Hunger and as of today, we have raised \$78,000! This is up \$20,000 from last year.

We sincerely appreciate all you do to assist us in our efforts to care for the hungry and homeless in our community!

14th Annual Walk for Hunger

New Horizons for New Hampshire and Angie's Shelter for Women will hold the Annual Walk for Hunger on Sunday, May 2nd, rain or shine. The four-mile walk will begin and end at Veterans Park in Manchester on the corner of Elm and Central Streets. Only six years ago, in 1998, just over 300 walkers participated. Thanks to a generous and active community, the walk now attracts over 1,000 participants.

Please consider getting a group of family members, friends or coworkers together to participate in this fun, rewarding event. You will be walking to help support the very basic human necessities of food and shelter for our neighbors in need. While we walk for a critical cause, we also make the day a celebration of this great work.

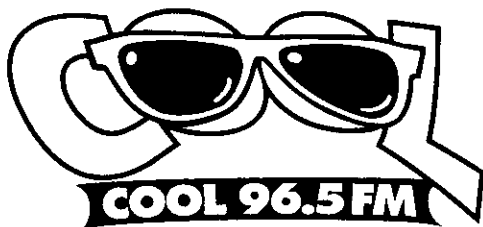

There will be refreshments provided by Coca-Cola, Manchester School of Technology's Basic Culinary Class, Stonyfield Farm Yogurt and Vista Foods. Face painting, clowns, the Manchester Police Department's Equestrian Patrol and a surprise or two will make the day fun as well as rewarding.

There are sponsorships available beginning at \$250 with signage, names listed on tee shirts and other promotional opportunities. WMUR-TV has come on board as our media sponsor. Anthem, Kiwanis, My-T-Man Screen Printing, Heritage Plumbing, Heating & Cooling, From Out Of The Woods and Curry Printing are the first sponsors to commit to this great event. Louis Craig has initi-

ated a challenge for the Manchester, Queen City and Bedford Rotaries to compete for the Inaugural Rotary Cup. Meagan Fish and her pals at West High School are getting their award winning team together too.

The Walk for Hunger is already taking shape and you can be an important part of it. Remember, you will make a difference whether you walk, sponsor or donate. All participants have a part in feeding the hungry and sheltering the homeless of our community. It is four miles—you can do it! Call today for more information, to sign on as a sponsor or to pre-register a team 668-1877.

Thanks to COOL 96.5

The winter months brought excitement to New Horizons with a tremendous opportunity for our Food Pantry families. Thanks to the generosity of Cool 96.5, forty family members who utilize the food pantry were given tickets to share in the magic of Disney on Ice-Toy Story II when the show came to Manchester's

Verizon Center. Children and adults alike were treated to the spectacular show full of imagination and fun. When the tickets were given to families one Mom tearfully said, "I never would be able to do this on my own. Thank you so much for helping me do this for my kids."

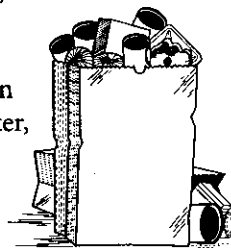

Kringle's Bicycle Raffle/Canned Food Drive

Kringle's Toy Box, a specialty toy store at the Meeting Place, Route 101A in Amherst, is offering the chance to win a classic Radio Flyer bicycle to anyone who donates canned goods to the New Horizons Soup Kitchen and Pantry. Does it sound like a good deal for everyone? It is! Bring several cans of food to Kringle's Toy Box any time in April and you will receive a raffle

ticket for the bike. The drawing will be held on May 1 at Kringle's May Day Celebration. Raffle tickets will be limited to one a day per family.

The bicycle is for children 2 to 6 years old. It has classic styling and is a beauty of a bike, one that would make an exciting gift for your child or grandchild. So gather

some canned goods and take them to Kringle's. Especially needed at New Horizons are cans of green beans, peas, carrots, and corn as well as peanut butter, spaghetti sauce, and tuna — but any donation is welcome.

Dear Mrs. Scott:

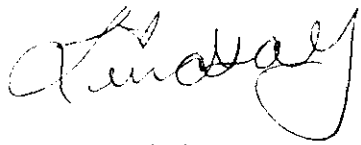

My name is Lindsay Covey, and I was a part of the Groundhog Day Job Shadow program, Monday, February 2, 2004, representing the eighth grade from the Middle School at Parkside. You might remember me as "Valley Girl."

The day was a blast, even though Katelyn and I got lost in the wrong entrance. It was still awesome! Your job seems like a lot of fun except for the waking up at three o'clock in the morning thing, but once I got into the studio my eyes lit up, and I thought, 'Maybe I could give it a chance.' I admit that I was not interested in the radio business, in the beginning, but I decided to see what you do. I came to realizing that maybe 'This is how I could live *my* life.' You and Jack are a great inspiration to me but surprisingly not in the radio business, but in working hard, to get where you are. I didn't realize all of the work you had to do. It really surprised me. I thought that you got a script and you just had to say it on the radio without messing up. I still had fun, especially with my 'valley girl' act. It was totally radical! Everything was perfect but provided lunch would have been a major bonus.

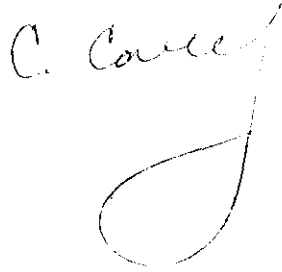

I would like to thank you for everything that you have done for me. The tour was great; I met many new faces, and learned more about the radio life than I ever thought I would. Your life seems great and you seem happy. You have really opened up my eyes and made

me realize that this is an option for me and I can live with it. Again, thank you for everything.

Sincerely,

Listening to you and Joe do the morning show was really fun, and probably my favorite part of the day. I really liked meeting your coworkers, and you and everyone there made me feel welcome. Before I visited the station, I never realized how much work went into keeping a radio station running. It was very interesting to see how recordings are made. After spending Job Shadow day with you, I started to consider a career in radio.

I thought it was very interesting to learn how all the sound effects are "really" put on the air. Making the oldies are cool tape with Lindsay Covey, Richard Chavez, Kaitlyn Lemay, and Sarah Paris when we introduced our school and ourselves was a lot of fun. I wish I could have heard it on the radio.

Thanks to you and all your co-workers for taking the time to explain each job. It's obvious that it takes a lot of hard work to have a successful radio station. Thanks too, for giving each of us a copy of the tape, and tell Bob, welcome to NH.

RE: COOL 96.5FM coverage at Elliot's Cancer Survivor's Day

Dear Ray:

I hope all is well with you. I am writing this letter to inform you of the spectacular job Gail Scott did at Elliot's Cancer Survivor's Day Celebration, which took place on Sunday, June 1 at the Center of New Hampshire in Manchester. The celebration of life welcomed over 2,000-cancer survivors and their families from throughout the state, who are currently undergoing treatment or who have received care at Elliot's Regional Cancer Center.

This is the second year Gail has enthusiastically agreed to represent your radio station; she preformed live coverage of the event, which included interviews from our President and CEO Doug Dean and our Chairman of the Board, James Conway, MD, among others, who instantly enjoyed her outgoing personality and professionalism. Not only was Gail approachable to our guests, she was also extremely accommodating, going the extra mile to ensure that the interviews were on time and feasible, given the fact that the station was running tape at the time the organization's leaders were available. Her bubbly personality and heart-warming nature, coupled with her desire to really get involved with the people at the day's event, reflected very well upon your radio station.

Gail is an asset to your team and was a pleasure to work with throughout the day. In most circumstances, written letters usually indicate a negative connotation. I wanted to take the time to write this letter to make sure you were aware of a job well done. I would appreciate it if you could please put this letter of accolades in her personnel file. Thank you.
